

FabSpeed UK is committed to providing products and services that meet the agreed requirements of our customers, and of appropriate standards and legislation. The Board and senior managers set and monitor performance and improvement targets for all departments, while providing the guidance, resources, and training necessary for employees to succeed in delivering our objectives.

Our objectives include:

1. Maintaining certification to the ISO 9001 Quality Management System standard.
2. Continually improving the effectiveness of the Quality Management System.
3. The enhancement of customer satisfaction.

All employees have a part to play in the quality management system and are encouraged to bring forward ideas that will contribute to the continual improvement of our products and processes. Appropriate training and resources will be provided.

The structure of the Quality Management System is defined in the Quality Manual.

This Quality Policy is regularly reviewed to ensure its continuing suitability.

This policy operates in conjunction with wider corporate governance and other company policies and procedures, including Health and Safety; Environment; Energy and Responsible Sourcing.
